RECOMMENDATION LETTER

To Whom It May Concern,

I am pleased to recommend Sara Ahmed Albukhaytan, who successfully completed the Professional Data Engineering Bootcamp delivered by Athar Academy on 05-09-2026.

Throughout the bootcamp, Sara Ahmed Albukhaytan demonstrated strong commitment, technical proficiency, and practical skills in data engineering. The program covered key technologies and concepts including Python, SQL, NoSQL, Spark, Kafka, Airflow, Microsoft Fabric, Azure, data pipelines, data warehousing, and real-time data processing.

Through hands-on projects, Sara Ahmed Albukhaytan showed the ability to apply these skills to real-world scenarios, build reliable data workflows, and develop modern data solutions.

I confidently recommend Sara Ahmed Albukhaytan for professional opportunities in Data Engineering, Big Data, Cloud Data Engineering, and related fields.
